Safety

Stable product performance, safer food preservation

Energy Friendly

From design to production, Create is committed to the application of environmentally friendly refrigerants and new energy-saving materials in products, pursuing high efficiency and energy conservation, and leading a green lifestyle.

Environmental Friendly

Advocate green technology and commit to the path of sustainable development; Apply the concept of green environmental protection to design, materials, energy efficiency, and engineering.

AVAILABLE COLOURS

RAL9005; GN150A; GL180A; GY070A;
MW201T; GL205A; RAL9003; RAL9010

**ENHANCED
ENERGY EFFICIENCY
VERSATILITY**

MAIN PARAMETERS

Light: LED
Compressor: Wanbao
Thermostat: Elitech/Dixell/Hkreco
Refrigeration Method: Air cooling
Defrost Method: Automatic
Lock/Key: Yes
Refrigerant: R404a/R448a/R290

CUSTOMIZABLE ITEMS

- Optional sliding door——BC-229Y/BC-349Y
- The glass door can be optionally made of Low-E coated glass or electric heated door.
- Optional stainless steel material
- Customizable product color、 plug and voltage frequency

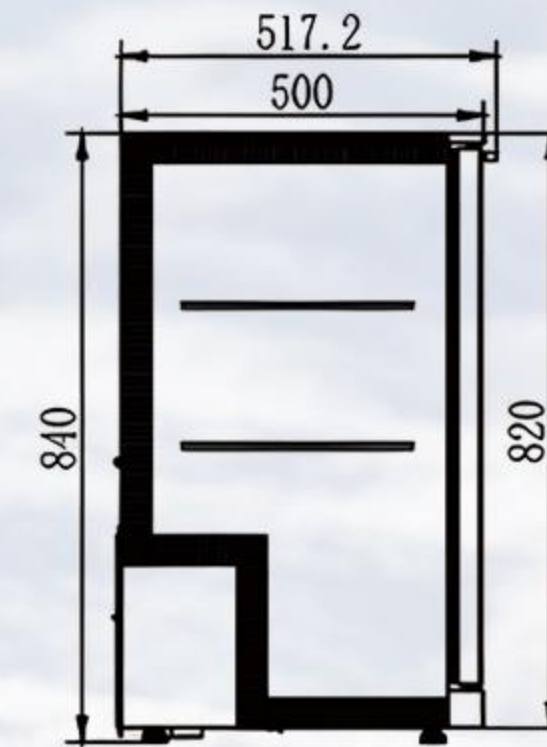

FEATURES

- LED light in cabinet, no blind spots in the space, and outstanding product display effect.
- Self-closing door, reduce air conditioning loss
- Adjustable shelves, make better use of the space inside the cabinet to meet the placement needs of different products.
- The product is suitable for supermarkets, markets, and delicatessens to store cooked food, meat products, dishes and other foods.

Model

BC-129	600*520*840
BC-229	900*520*840
BC-229Y	900*520*840
BC-349	1350*520*840
BC-349Y	1350*520*840

Size

Volume

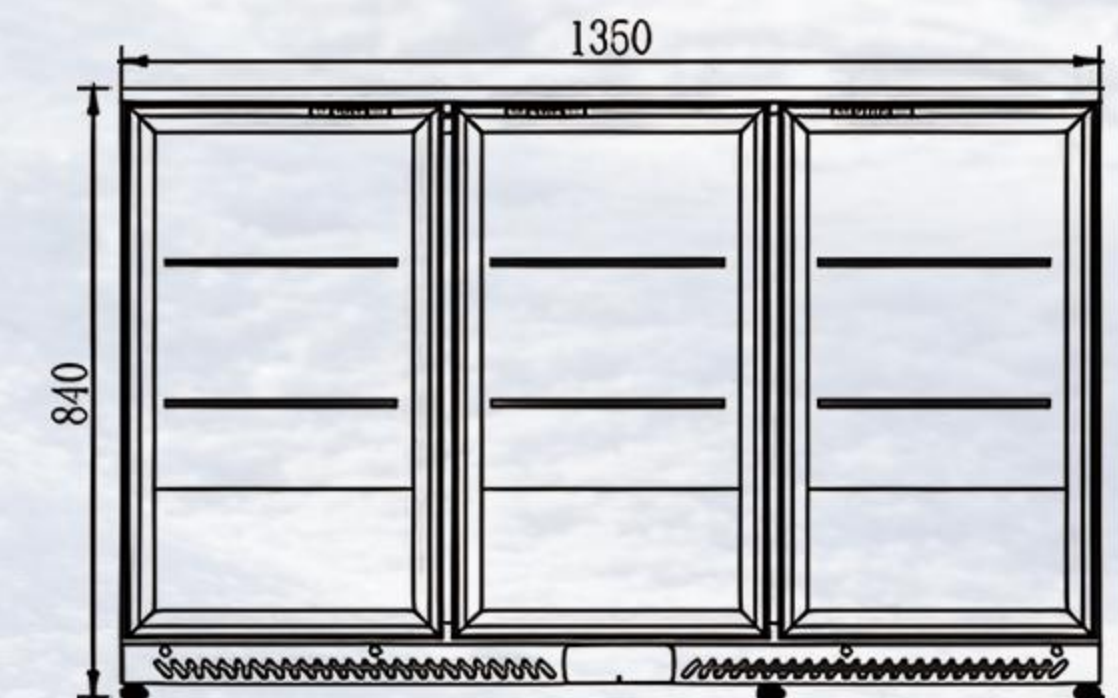

130L/193L/300L

Temperature

0~8°C

Voltage/Frequency

220V/50HZ; 110V/60HZ; 220V/60HZ

Additional Information

All Dimensions shown in Millimetres (mm) unless otherwise stated. Dimensions and features are subject to change. Please obtain current technical information prior to order confirmation.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or Shipped.
